Excellence in International Scholarships

For over 56 years, ASSIST has been committed to excellence in international scholarships, offering full- or partial-tuition awards to students distinguished by their drive, talent and integrity.

We know the right school makes all the difference.

ASSIST member schools are known for their strong academics, extracurricular programs and world-class campuses. One year of living and learning abroad will show you the power of global education.

We understand this experience can change everything.

You will make lifelong friends and join a global network of over 6,300 accomplished alumni, furthering your personal and professional goals.

ASSIST Scholarships

ASSIST evaluates more than 1,000 applications annually from around the world to award its one-year scholarships.
